

Submitter: Cynthia Hice

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

To Whom It May Concern,

As a 43 year resident of the great state of Oregon (moved here from Idaho), I oppose in-person voting. Residents that work full-time, work odd hours, are elderly, have physical disabilities are all reasons to continue with vote by mail. There has been minimal voter fraud - it is a non-issue. Please keep Oregon's vote by mail intact.

Thank you!
