

Submitter:

Heather Helard

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting has worked for years. If it ain't broke, don't try to fix it. This system works for everyone; people who work full time, people who are ill or shut in. I personally love being able to vote from the comfort of my own home, while being able to take the time to educate myself on the candidates and the measures.
