SB210

As a long time resident of Oregon, I'm horrified to have learned of this Bill in the last hours of March 30, 2025, to end our WONDERFULLY EFFECTIVE Vote-by-mail electoral process. This has worked so well for me and my friends and family for more than 30 years!

PLEASE DO NOT MAKE IT HARDER FOR US TO VOTE. Voting by mail has not failed us for decades!

Let's keep our state from falling into the insanity, disruption and inconvenience of the current regime's self-serving plans.

VOTE DOWN SB210 2025! THIS IS A TERRIBLE BILL PANDERING TO THE GOP!

Thank you for your consideration,
Claudia A. Gray
