Measure, Appointment or Topic:

SB210

I have lived and voted in Oregon first from 1991 to 2003, then 2015 through 2024 and will continue to do so as I now live here permanently.

I am strongly opposed to ANY measure that would remove our ability to vote by mail and with a paper ballot. I have ALWAYS received my ballot and Voter's Booklet when it was expected, which gave me time to study the issues and consider my options before voting. I voted in the quiet, security and privacy of my home without having to drive anywhere, and then, I dropped my ballot off in the secure box in front of my local police station. When I checked online later, I ALWAYS received notification that my ballot had been received and counted.

PLEASE do NOT mess with a system that has worked well for decades, with fraud being close to nonexistent! VOTE NO on changing Oregon's Vote-By-Mail system!
