I am deeply concerned this will limit voter turnout. This is not a partisan issue. This is an access to the polls and voter rights issue. Many Oregonians are unable to take time off work or away from their caretaking responsibilities (as just a couple examples) to vote on ONE day. Some individuals are underprivileged or simply unable to physically arrive at an in-person polling site. Please keep Oregon's mail voter option alive and strong. We should be proud as a state for how we safeguard democracy in this way.
