The mail-in voting should continue in Oregon. It is a citizen's right and obligation to vote and having the option to mail in a ballot helps people, regardless of their work schedules, be able to vote.

The mail-in ballot allows people to get their ballots in sooner so that counting the votes is done in a timely manner.

It is also important to consider those who are less mobile and who may be physically unable to vote without the mail-in ballot.

Every vote matters!
