

Submitter:	Kim Wasser
On Behalf Of:	
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

To the Senate Committee On Rules,

Both my wife and I are medically compromised and voting in-person would be a hardship, which would result in our not voting. We currently vote in all relative Oregon elections and are able to do so because of Oregon's vote-by-mail legislation. We strongly oppose any regressive bill that would impose in-person voting on Oregonians.

Sincerely.
Kin Wasser
