SB210

We live 12 miles from the nearest polling place. Down a very curvy road. It is such an inconvenience to have to drive that far and back, especially in November. Some of our neighbors live even farther away. For those who have full-time jobs, it is particularly difficult to make this trek. For those with physical disabilities, it is also hard. This is a democracy and we need to hear as many voices as possible. Eliminating vote-by-mail is not going to achieve that.
