

Submitter: John Newman

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Honorable members of the Oregon Senate Committee on Rules,

Please join in support of SB 210 to move forward the opportunity for all the citizens in Oregon to have a say on this key issue facing our nation at this time. I'm 81 years old and I miss the socializing with neighbors at the local precinct voting place on election day. In close races do we want even a few voters who are not citizens to vote? Why not make sure only legal votes are cast and counted? This bill seems to allow the citizens of Oregon to have a say on this key issue, Thanks for takeing the common sence step and voting YES on SB 210.

Thank you for your kind consideration of this request.

Sincerely yours,

John F. Newman and for my wife Bonnie L. Newman
