Mail in Voting

As a resident of Washington County in the State of Oregon, I want to continue the vote by mail. I prefer the convenience of being able to do this in my home, avoiding crowds, having to go to the polling venue in the dark after work ( and usually raining and cold) but enjoy having the convenience to chose my candidates and measures, after carefully analyzing everything about each.

I also resent that I have to defend this right that we, as a whole in this state, chose this, but now have a power hungry President and ineffective Congress and Senate that refuses to stand up to him and not allow them to process this action, across the board, taking our rights. I also feel that this is a violation of my rights and feeds into this total need for control of all of us by slowly stripping away all the rights that we have enjoyed over the years.

Please, stand up for your constituents that voted you into office and protect our rights.
