

Submitter:	Karly Loveling
On Behalf Of:	SB210
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

Eliminating mail in voting will make it much harder for working families, elders, and those with disabilities to get their votes in. Oregon has great voter turnout and the system is not broken. It's much easier to rig the machines. Please don't take away the mail-in option.
