

Submitter: Glen Ardt

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

To whom it may concern,

Passage of SB 210, eliminating vote by mail, would be a huge mistake. Vote by mail is a tried and true method of voting in Oregon. Vote by mail is an efficient and effective method for Oregonian's to cast their ballots. It has been tested and shown to be a very secure method of voting. Eliminating vote by mail would be a huge injustice to Oregonians. Please strike SB 210 down.

Glen Ardt
