Measure, Appointment or Topic:

SB210

I am opposed to SB210 and request my representatives vote against the measure. There's nothing broken about our current mail-in voting and this is an unnecessary and wasteful measure. Furthermore, in-person voting disproportionately affects the poor and vulnerable, who more often find it difficult or impossible to vote in person on a particular date/time due to inflexible working conditions, transportation issues and/or medical issues, and therefore is a discriminatory system.
