SB210

I want to express my strong opposition to SB 210 to require in-person voting. Oregon is a pioneer in voting by mail. It has been such a proven success that all our voting is done by mail, and has been for decades. It is a model for other states. There is absolutely no reason to change our current safe voting methods!

I believe this is a bill meant to suppress the vote of Oregonians. We do not need this bill, nor do we want it! I urge you to kill this bill in the Rules Committee.

Thank you very much for your attention.

Respectfully yours.
