Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

I am writing to ask you to please vote to oppose SB 210 which "Makes in-person voting on the date of an election the standard method for conducting an election.". As a long time resident of Oregon, I support ballot by mail as a valued asset of living in this state. Please do not succumb to the bully politicians in office who look to take away our rights as citizens of the United States. "Make America Great" is heading us in the same direction as Nazi Germany. America is ALREADY GREAT and does not need to revert to a dictatorship.
