SB210

I oppose this measure as it will make voting more difficult and unfair. It limits options for voters to cast their ballots. It will increase the amount of time it takes to vote. This is political theater to continue the myth that voting is flawed when time and time again this has been disproven. If you don't like the way people vote you try to tie their hands so it's harder and you are projecting your fraudulent unconstitutional actions to confuse voters who don't think or look like you. It's shameful.
