SB210

I am writing this in opposition to SB210.

It is unnecessary, anti- democratic, and unfair. Oregon's groundbreaking vote by mail system has allowed the residents of Oregon to vote from the comfort of their own home at their leisure in a safe and equitable way for decades. No standing in line, no missing work, and being able to really evaluate the things being voted on.

Why change a good thing?

The only reason for the repeal of this safe and easy to use voting system I can see is so someone can make it harder for everyone to have a chance to vote, and that is not how Oregon rolls.

Please oppose SB210. No repeal!

Thank you for your valued consideration.
