

Submitter:

Kristen Dilley

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

We need to keep mail in voting available in Oregon. It works well as a system, enabling more people to vote. I like it because I can make a more informed decision. It also creates accessibility for those of us who work, have young kids, have disabilities. Wd cannot give in and make voting MORE difficult.
