Measure, Appointment or Topic: SB210

I strongly oppose changing Oregon's Vote by Mail process. Vote by mail allows those who have to work on Election Day, are sick or home bound, or lack transportation to vote. No one is challenged because of the color of their skin, ethnicity, or religion. With the Voter's Pamphlet, it allows each voter to research each candidate and issue so that they vote from a position of knowledge, not just emotion or name recognition. Oregon's voter turnout exceeds the turnout in states that require in-person voting. In all the years of vote by mail in Oregon, there has been virtually fraud free.

Please vote "NO" and keep our current Vote By Mail system.
