

Submitter:

Shaunna Stelzenmueller

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I do not consent. Our vote by mail process is and has been the best way for me. It was also imperative for my late wife who had ALS and could not leave the house. I feel this legislation would take away voting rights of many of our elders and those who are shut inside. Their voices are just as valid as anyone else's. I do not consent!!!
