

Submitter: Asha Chotard

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1186

I oppose Oregon Senate Bill SB1186: This is unacceptable and an invasion of our rights and privacy.

It ends the current requirement that police get a warrant before using a drone. From drones flying over protests to constantly monitoring over-policed communities, giving law enforcement free rein over use of drones is extremely dangerous. There are no apparent limits in the bill and no provisions for community oversight or consent.
