SB210

Having lived in a state that had in-person voting, I was so very pleased when I moved to Oregon and found that all voting was done by mail. I appreciate the ease of voting and the various options available for returning my ballot, as well as the extended time before it is due to fill it out. I believe this makes it more likely for more people to vote, which is of course the most desirable thing for our democracy. I hope Oregon will stay sensible and keep our statewide vote-by-mail.
