Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly support SB 210. With lax voter registration laws, we are more susceptible to voter fraud and abuse. I realize it is much easier and more convenient to just fill out your ballot and drop it in the mail especially with our busy lives. However, voting is a sacred right and we must protect it. In the whole scope of things, voter ID and voting in person are really a very small sacrifice to keep our democratic republic.
