Measure, Appointment or Topic: SB210

I oppose SB210 changing our elections from vote-by-mail to in-person only. For over 25 years, Oregonians have been voting by mail successfully, leading the nation in voter turnout. Vote by mail allows all voices to be heard, even those who can't take time off from work to vote or who have no means to travel to the voting center.

I believe vote-by-mail is secure. A friend once had the validity of his signature questioned, and received a phone call from the elections office confirming his identity.

Sincerely,  
Johanna Nelson
