

Submitter:

Nancy Brazell

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I heartily oppose SB 210 because it would move Oregon backwards! Mail in voting is much more convenient and it allows more Oregonians to be able to vote!

Many years ago, working as a surgical nurse, I missed my opportunity to vote because I was detained at work and couldn't get to the polls before closing time. Mail in voting has been a wonderful solution to this problem!
