Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I have been voting since I was able to vote.

It was difficult to vote in person in my lifetime due to working 9-5 and raising kids. I'm still working even tho my kids are in their 40s and I have grandkids and great grandkids.

We Oregonians voted yes on mail in balloting and i still stand by that vote. Mail in voting works! Thank you.
