I am in opposition to any change to our mail in voting system. Oregonians have led the nation since 1998 in safe, universally available mail in voting. It has been scrutinized over the years and found to be virtually error free.

The "Oregon way" to vote offers us the time to consider all the options, read our voter's pamphlet in an unhurried way and submit a well thought out ballot. No one waiting behind me, no sense of rush because of the line outside, just a simple, fair way for ALL Oregonians to be heard.

Further, there is no concern for taking time off work, being sick or not being able to get childcare on voting day. Everyone has equal access and knows their voice, and vote, will count!

Isn't that what our country was founded on?

Lastly, where, how, and who will pay for polling places across Oregon??? Duh!!!
