Measure, Appointment or Topic:	SB210

Dear Senator Anderson:

I understand SB 210 will have a hearing in the Rules Committee tomorrow (Monday the 31st).

Oregonians have enjoyed the benefits of vote-by-mail since 1987, and the program has contributed to a growth in voter participation and is immensely popular with Oregonians. There is no evidence that vote-by-mail has increased voter fraud.

There is concern that repealing vote-by-mail would disenfranchise many voters - especially older voters who might not be physically able to vote in person.

What is your position on SB 210? If it were to come to a floor vote, what would your vote be?

Thanks in advance for your response.

Respectfully,

Karen Wutzke
