SB210

As a 71 year old lifelong Oregonian that prioritizes the right and the responsibility to vote, I strongly oppose the bill to diminish Oregon's mail-in ballot voting. Mail-in ballots have proven an efficient, effective, and reliable method of voting. The proposed bill requiring in-person voting and showing of identification on Election Day as a replacement or sole method of voting for all but a few Oregonians with special needs is a devious attempt to make voting more difficult. Protecting voting rights and vote by mail in Oregon is vital to protect and preserve democracy!
