

Submitter:

Lorraine Fletcher

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please don't eliminate mail-in ballots in Oregon. I am an elderly woman, and I don't drive much these days, so mail-in voting is very helpful to me in particular. I also think voter turnout is likely to be much better with mail-in voting, and I think the more folks who vote, the better. Thanks, Lorraine
