Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose this bill 100%! Mail in voting has helped me make a more informed decision about my vote. Being able to take my time, review the candidates & measures in a quiet space without time pressure to get back to work or my children has made all of the difference in my confidence in voting. I do not have to take time off work and don't have to bring my children or find childcare for them. I repeat, I completely oppose this bill!
