On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am writing to strongly oppose SB 210.

Oregon's mail in voting is a secure and safe way to vote that makes it easy to vote in our elections. I cannot imagine standing in line for hours to vote like we see in several states that have in-person voting as the default. I work a regular job and cannot take time off of work to vote- nor should I have to when I have the option to drop off my ballot in a county drop box.

Additionally, being able to sit in my house and decide how to vote and look up information allows me to be a more informed and thoughtful voter.

Thank you for your time and consideration,

Paula Nolan
