I support sb210:

I believe accountability has suffered with mail in voting. I believe Proper ID should be presented.

----Make in-person voting on Election Day the standard method, allowing absentee voting only in limited situations.

---- Require valid government-issued ID for in-person voting and mail-in ballot requests.

----Ensure all ballots are returned by Election Day—no late counting.

----End state-paid postage for mail-in ballots.

---- Refer the Act to the people for approval at the next general election.
