Measure, Appointment or Topic: SB210

I am writing to express my opposition to the proposed bill SB210, which aims to impose a requirement for in person voting in the state of Oregon. This bill is an attempt to implement systematic voting suppression and therefore violates the free speech and the right to democracy. Mail-in voting provides an essential service to disabled, sick US citizens as well as those who are required to work on election day with no means to visit an in person voting center. I am deeply concerned about the proposal of removing mail in voting and am here by expressing my fervent opposition to this suppressive action.

Thank you
