

Submitter:

Denise Boivin

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please vote yes on SB 210. Oregonians have a right to open and transparent elections. We wish to have in person paper ballot elections on Election Day with proof of Identification. It is critical that we restore integrity and confidence in our elections. We have done it successfully in the past and we can do it again.
