Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Re:SB210

I oppose bill SB210 that would require in person voting. Oregon's vote by mail has been very successful. Going back to only voting in person would be a hardship on many of our Rural families, our Disabled and Senior citizens, as well as many others in our communities who would not be able to take off work to stand in line for hours!
