SB210

I opposed Bill 210. As a senior, I travel regularly, but know I can receive my ballot in advance and mail it way before Election Day. Some of us have unexpected physical impairments, but we don't have to worry about getting to the polls or filling out paperwork to get an absentee ballot. There is a reason we have one of the highest turnouts in the nation, with an absurdly low level of inappropriate people voting- because it works!

Thank you
