Hello,

I strongly oppose this measure. I moved to Oregon in 2017, and our vote by mail system quickly became one of my favorite things about my new home. Our system is a point of pride. It shows Oregon's commitment to its residents by making voting accessible and inclusive. With vote by mail I have more opportunity to research candidates. There is a low rate of voter fraud in Oregon and I see no reason why our exemplary system needs to change. Thank you!
