

Submitter: nancy votrain

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Voting by mail ensures all registered voters have the opportunity to make informed decisions from the privacy of their own homes. There is no valid reason to go back to in-person voting only, which restricts people from voting except for on one day, and requires unnecessary transportation to a polling booth. I STRONGLY oppose SB 210.
