Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon's mail in voting system is the best I've ever experienced as a voting citizen (having previously lived in Ohio and New York). I think it's great that everyone receives a voter pamphlet and has time to research and vote while fully informed. And importantly, everyone really has the opportunity to both think about and submit their votes! It's disheartening to see a bill proposed that would make it harder for folks to vote.
