

Submitter:

Neal Rusk

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

We need to be expanding participation in our democracy, not creating more barriers to it. The ability to mail in my vote is crucial, as I do not have the ability to vote in person. Again, why are we trying limit the ability for people to vote? There is not evidence of widespread fraud that would warrant this.
