Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

HB3385

Dear Committee Members,

I support HB 3385. I personally know a few individuals who have been charged with inappropriately high fees for records requests from county clerks. This bill will make the fees more clear, and less able to be manipulated to deter the public from making requests.

Please VOTE YES ON HB3385.

Sincerely,

Karen Schmidlin

PCP House Captain

Washington County
