I am strongly opposed to this bill. Vote by mail has been incredibly successful for Oregon. Being able to vote by mail, from home, after reading the voter's pamphlet and digesting news and opinions has enabled me to be a knowledgeable and informed voter. It also encourages voting participation There is zero evidence of fraud in current Oregon's system. This bill is nothing more than a shameful attempt to make it more difficult for the voters in Oregon to engage in the democratic process. It should never see the light of day.
