Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail-in voting is wonderful. I love that I can vote in the privacy of my home, without taking time off from work. I am so impressed at the mail-in voting in Oregon and do not want to change this system. I am a teacher and can't take time off. I like to read about my voting options, vote and then bring my envelope to the ballot box, or mail it in. Please do not change this system that works well.
