Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Dear Honorable Members,

Mail-in voting is something that makes it easy for older Americans to vote. Some older citizens have a difficult time finding transportation to voting locations and standing in long lines. It would be extremely difficult to older handicapped citizens or their caretakers to vote. Voting by mail gives registered voters a safe, reliable way to take part in the Democratic process. Please vote against this bill, please. Thank you.  
Linda Fraser
