

Submitter: Nancy Leavens

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail in voting has been a safe and successful way to allow everyone to vote. The old, health challenged, college students and just regular folk.

There is only two reasons to have in person voting:

1. Make it a challenge for many to vote thereby shrinking the voting pool.
2. Trump succeeds with eliminating the postal service. Until that time, leave things alone.
