

Submitter:

Mackenzie Verrey

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose this proposed legislation. As a voter who lives in SE Portland, I rely on the mail in ballots in order to vote. Forcing everyone to vote in person would decrease voter participation. Many voters cannot afford to take time off work to stand in line all day to vote. Passing this measure is anti democratic and anti American.
