

Submitter: Maya Nordland

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Voting by mail makes it accessible and easy for all registered voters to vote. There's no worry of having to find transportation to a polling place and I can make my ballot decision in the comfort and privacy of my own home.

I've voted in elections across 3 states and Oregon's mail in voting is hands down the best experience. Passing this bill would be an act of voter suppression. It must receive the fullest measure of condemnation.
