Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose SB210. I believe Oregon's voting by mail is secure. As a remote rural resident of Lake County I would have to drive 1 - 2 hours one way depending on the location of in-person voting. I support the current rules allowing ballots to be valid if postmarked up too election day. Current mail delivery times are questionable at best and could leadSE to delayed delivery invalidating some ballots. SB 210 would take Oregon's voting in the wrong direction. Oregon leads the country with secure mail in voting and we should continue to lead nation by example.
