

Submitter: Debby Patten

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Please don't repeal vote by mail, it makes voting SO EASY! There are many people who could not easily get somewhere public to vote.

It's a lot more complicated to find polling places and people to staff them. I worked for the Voter's Registration over a summer and it was a lot of extra work.

So....accessible and easier...a no brainer
